Perfect house, perfect vacation!!!

A perfect house for a fun family get-away. Our family and friends enjoyed kayaking and paddle boarding and fishing from the home's boat dock, riding bicycles to the village or Loews Resort during the day, cooking together in the beautiful and well equipped kitchen, hanging out listening to music, enjoying the evenings under the stars and talking. Sleeping arrangements were very comfortable with plenty of closet space to hang up our things. We enjoyed a beautiful sunset cruise in San Diego Bay and going to dinner in a beautiful luxury boat. It was amazing, going to dinner in a nice restaurant with your boat! It was a pleasure to stay in this beautiful home. Owners are lovely and very accommodating.

Beautiful Home - Great Location - Excellent Owners

We recently stayed at this rental and had a great time. The house was beautiful from every detail. The location was perfect as it was right on the water in the desired area of Coronado Cays. The house had great amenities such as bikes, paddle boards, kayaks, etc. The whole experience was easy and smooth. The owners were great to work with from asking initial questions during booking till checking out. They were very generous in stocking the house with some extra items you wouldn't expect from a rental. We plan on renting this house again and strongly recommend this home for your next vacation.
